5. Music and Planned Program Content

In accordance with Rule 343 in the ISU Sports Rules Single & Pair Skating and Ice Dance 2026, the following method to submit the Competitor’s music to the Organizing Committee must be followed:

The ISU Member is responsible for submitting their Competitor’s music as a direct attachment to an email to the Organizing Committee music@iktartu.ee until **November 6, 2026 (1 week prior to the competition)**.

Please note: some music files might exceed the size of a regular email. In this case, an email-based transfer service that allows sending large files could be used to send the file to the OC.

Each submission shall be labelled with the name of the ISU Member, name of the category, segment, and the name(s) of the competitor(s).

Examples:

GER_Men_SP_MUSTERMANN_Max

GER_Men_FS_MUSTERMANN_Max

GER_Advanced_Novice_Boys_SP_MUSTERMANN_Max
GER_Advanced_Novice_Boys_FS_MUSTERMANN_Max

- The music files must be sent as WAV or MP3 file formats. Any other format is not acceptable. Please note: Files in MP3 format may have a significant difference in the music quality when reproduced. The Organizing Committee in this case is not responsible if the music quality is insufficient.
- Each Competitor must have their own backup drive (USB Stick) for each program in the format of a WAV or MP3 file.
- The exact running time of the music (not skating time) must be communicated to the Organizing Committee when submitting the music and shall be certified by the Competitor/Coach/Team Leader at the time of registration.

If the music files have been submitted within the above-mentioned deadline to the Organizing Committee, then the music team of the Organizing Committee is entirely responsible for the correct execution of the music.

In case of issues with submitted music files, the Organizing Committee may request, at the time of registration, a secondary copy of the music files.

In case the music files have not been submitted in time to the Organizing Committee, the skater(s) must present their music at the latest at the time of registration on the above-mentioned means and in the defined format.

Please note: CDs will not be accepted by the Organizing Committee.

ISU Members/Skaters are reminded that, for them to use music to accompany their routines, the following 'Music Accompaniment' rights/licenses are required:

- the right to edit or adapt music into a mix, if more than one song is being used.
- the right to set choreography to the music, often referred to as a 'Grand Right', which is the right to perform musical compositions and recordings within the context of a "dramatic work" or choreography.
- the right to create any copies of the music that may be needed for training and competition purposes, also known as the 'mechanical rights'.

For a music to be fully cleared for these uses, these rights need to be cleared for each and every track used in each mix that contains a license (backed by a warranty and legal indemnity) for appropriate territory(s) that covers both the master rights of the recording artist and the publishing rights of each individual writer and composer of the track. If music information is not complete and/or the music is not provided, accreditation will not be given.

The Planned Program Content must also be entered by the ISU Member or the Skater(s) on the dedicated ISU platform. It is mandatory that the Program Content information be filled in precisely by each Skater/team in English using the terminology for the elements listed in the respective ISU Communication.

6. Non-official practice sessions

Non-official practice sessions will be available for **Senior, Junior and Advanced Novice** categories before the competition begins for the categories scheduled to compete on the same day. Every skater will have the opportunity to take part in one **25-minute** session per day prior to competing. The practice sessions take place on the competition ice.

6 skaters will be on the ice per session, and groups will be formed based on the competition starting order. For the Short Program, groups will be formed based on the Short Program starting order; for the Free Skating segment, groupings will follow the results of the Short Program. The organizer reserves the right to rearrange the groups in case a group does not reach the maximum of 6 skaters.

In order to book your practice sessions, it's mandatory to let us know by **November 9th** latest via email at entry@iktartu.ee if you would like to take part in the non-official practice sessions and on which days.

The cost of **one 25-minute** session is **20 €**, payable **upon arrival** during accreditation.

Practice schedules and groups will be published on our website and Sportity app.

7. Accreditation

Please note that, for identity verification purposes, we ask that a copy of each skater's passport be made available at the time of registration (including the entry fee and music submission). If you are able to provide a copy either upon registration or by email beforehand, it would be greatly appreciated and will help facilitate the process. Skaters requiring an ISU Clearance Certificate under Article 8.3 CER should present it together with their passport at this time.

During the competition days, the Organizing Committee office will be located at the entrance of the Astri Arena ice rink.

8. Results

The marking system (ISU Judging System) as described in ISU Sports Rules Single & Pair Skating and Ice Dance 2026, Rule 352 and Rule 353, will be used.
